

Dayton Concours d'Elegance at Carillon Park

September 17-18, 2011

Vehicle Nomination Guidelines

To be eligible for participation in the 2012 Dayton Concours d'Elegance, a vehicle must adhere to certain standards (exceptions are noted below).

All vehicles must:

- **Be manufactured prior to 1980.**
- Be preserved or restored to original, factory condition
- Have all components including body, chrome, glass, paint, interior, wheels, lamps, gauges, engine room, and trunk in excellent condition
- Have no major modifications, alterations, or after-market accessories
- Be able to motivate under its own power

Exceptions to the above include:

- Vehicles in the "Preservation" class must be un-restored and have all original parts except for normal wear-and-tear items such as brake shoes, hoses, belts, wiper blades, bulbs and tires
- Hot Rods and Street Rods are highly modified vehicles that celebrate automotive creativity and must be unique, representative examples of each type.
- **Race cars (of any vintage) must be in full race trim. Minor "scars of battle" are to be expected.**
- Class X (Exhibition) are vehicles that do not fit into any of the structured classes but are deemed by the committee to be of significant interest.

Nomination/Registration forms along with fees must be received no later than **August 15, 2012**. Owners of accepted vehicles will be contacted no later than **August 17, 2012**.

Entries are limited to a total of 200 vehicles. There will be no exceptions.
