Dear Concours d'Elegance Enthusiast,

We'd like to take this opportunity to invite you to submit a vehicle for consideration in the Dayton Concours d'Elegance at Carillon Park on Sunday, September 18, 2022.

We are featuring the automobiles and motorcycles of the **Fabulous Fifties.** Enclosed you will find all of the necessary information to pre-register an automobile or motorcycle for the fifteenth annual event.

This document contains:

- Vehicle eligibility guidelines
- Owner information form
- Vehicle information form
- Registration packages options
- Preview Party information

- Payment options

Acceptance will be based on the quality and significance of the vehicle, and the class will be assigned by the Selection Committee. Entries that are not accepted will have any registration fees returned. Please complete the vehicle and owner information portion of this document, including the marque and vehicle specific description, which will be used to create a unique sign to be placed in front of each vehicle on display. Return the form to the Selection Committee no later than August 1, 2022.

In addition to Sunday's Concours, the weekend also features a Saturday evening Preview Party at Carillon Historical Park with entertainment, food, cocktails, automotive art pavilion, and a silent auction.

All proceeds from the weekend benefit Dayton History, which operates Carillon Historical Park, Hawthorn Hill, the Patterson Homestead, Mound Cold War Discovery Center, the Old Court House, and the downtown Archive Center.

All vehicles must...

- Be at least 25 years old

- Have all components including body, chrome, glass, paint, interior, wheels, lamps, gauges, engine room, and trunk in excellent condition
- Have no major modifications, alterations, or after-market accessories
- Be able to move under their own power

Exceptions include...

- Vehicles in the "Preservation" class must be un-restored and have all original paint, chrome, upholstery & parts except for normal wear-andtear items such as brake shoes, hoses, belts, wiper blades, spark plugs, bulbs, and tires
- Hot Rods & Street Rods are highly modified vehicles that celebrate automotive creativity and must be unique, representative examples
- Race cars (of any vintage) must be in full race trim. Minor "scars of battle" are to be expected
- "Vehicles of Special Interest" are vehicles that do not fit into any of the structured classes but are deemed by the committee to be of significant interest

Owners of accepted vehicles will be notified by August 15, 2022. Entries are limited to a total of 150 vehicles. There will be no exceptions.
